

York-Adams Elementary Football League

Parents or guardians please be aware that the YAEFL is an instructional league. We do not keep records of wins or losses. We do not have any team standings and we don't give any information that pertains to any kind of ranking. That is not what this league is about. Last year someone gave information out to a newspaper in reference to the wins and losses of a certain team. Someone from that team also had t-shirts printed with a statement pertaining to being an unbeaten team during that season. **This is extremely disrespectful to our league and other teams and players.** Even though this was done without approval of that team it reflects back upon that team. This document is being given to you to sign to prevent this from happening again. The home team of anyone that breaks these ethics will have to pay a penalty because of you.

You are signing this as an agreement between you and our organization that you will be respectful of the feelings and directives of this league and those that participate in it. Our by-laws state in:

Section 1.02 Objectives

The purpose of the YAEFL is to promote a youth football league establishing a program of supervised football for the youth with the following objectives:

- 1) Develop character.**
- 2) Promote sportsmanship, both on and off the playing field.**
- 3) Develop physical and mental health.**
- 4) Develop an understanding of the game of football through the proper application of the fundamental rules and conditions of football playing.**
- 5) Create an atmosphere of enjoyment and self-satisfaction through competitive sports activities.**

Please be mindful of others feelings, this organization is about children and teaching and instructing. Let the children enjoy the experience but not at the cost of hurting others.
